her sister Belinda Martin then arrived to pick up her son that I was watching well then Sgt. Dunn and Dept Allen arrived my husband was not here when either arrived, they talked to the tow truck driver for a couple minutes then walked up to me and immediately began screaming at me what the fuck is going on? and where is my cousin? They didn't even give me a chance to process what was going on and I had no idea the police were even called he then stated that the tow truck driver said he was hit by my cousin I then told the officers that my husband was here and that he didn't touch him so I didn't know why they were here he then called me a fucking liar and started reading me my rights and ask him not to this I have a disabled son and I still breastfeed he then began laughing and stated the children and families would take good care of them and they would be better off then to be with my kind! They then put the handcuffs on me and placed me in the back seat. I then asked if I could call someone for my kids and they said no that the children and families would get them. I was crying

and pleading with them and they wanted to know where my husband was I told them I don't know and that they were allowed to search my house which they didn't well before they put me in the car they took my phone and hung they answered it and cursed my friend. They then got me out of the car and told me that since I was a fucking liar I would have a warrant and my husband would and that he was going to do everything in my power to make sure my kids would be taken from me! The person they talked to on the phone was Duwayne 850-736-2094
